

The background of the image is a high-angle aerial photograph of a city at night. The city is densely packed with buildings of various heights, with many windows illuminated. A major highway interchange dominates the center of the frame, featuring multiple levels of roads and ramps that curve and intersect. The lights from the cars on the highway create streaks of light against the dark night sky. In the foreground, the dark shapes of buildings and trees are visible.

# INFINITE - LADPRAO

# “LIFE” YOUR INFINITE LIVING

Living your elevated life to the infinite lifestyle on Phahonyothin-Ladprao very prime location, the new community hub just 200 meters from BTS.
