Sukhumvit - Rama 4

AMBIVERT DESIGN RESIDENCE

Introvert Space vs Extrovert Space

The architecture of LIFE Sukhumvit–Rama 4 celebrates the duality of urban life — and of ourselves.

Upper floors are sky-enveloped spaces: a horizon-framed gym, serene co-working, and open corridors filled with light and air. Lower levels are garden-enveloped spaces: the commons, social lounges, and green common areas that spark everyday connection.

Garden-Enveloped Below. Sky-Enveloped Above. Life Designed for Every Side of You.

DUAL LOCATION

CITY ENERGY, RIVER STILLNESS

Just 5 minutes from DIB Bangkok Museum, where art cafés and galleries are reshaping the neighborhood into Bangkok’s next creative scene. Only moments from Thong Lor-Ekkamai, the city’s heartbeat of style, nightlife, and connection.
